The club is committed to the enjoyment of rugby by young people. It values and encourages the participation of parents, coaches and volunteers in rugby for participants under 18-years of age. The club will adhere to the IRFU Safeguarding Policy, which strives to respect the dignity and rights of Age Grade Players. The club will strive to promote, create and maintain safe environments for Age Grade Players. It will endeavour to maintain the key IRFU values of Respect, Inclusivity, Integrity, Excellence and Fun. A detailed safeguarding policy can be found http://www.wicklowrfc.com/files/Policies/2016/IRFU_Safeguarding_Policy_2015.pdf and is available through the club CWO. - Following a **risk assessment** for any potential harm to a child while involved in rugby we have identified areas of risk and the list of procedures to be put in place to manage these risks. These risks were categorised under the following headings Recruitment, Club and Coaching Practices, Reporting, Complaints, Facilities and Communication. **Part C (pages 3-6), indicates the areas of potential risk of harm**, the likelihood of the risk occurring, and gives the required policy, guidance or documents required to alleviate these risks. Our child safeguarding statement has been developed in line with requirements of IRFU and under the Children First Act 2015 and in Northern Ireland, the Club Framework for Safeguarding Standards. In addition to the procedures listed in our risk assessment, the following procedures are in place as part of the IRFU Safeguarding Policy, <https://www.irishrugby.ie/playing-the-game/spirit-of-rugby/safeguarding/safeguarding-policy/> and support our intention to safeguard children:
 - Procedure for the safe recruitment and selection of workers and volunteers to work with children as per IRFU safeguarding policy
 - Procedure for provision of and access to child safeguarding training and information, including the identification of the occurrence of harm
 - Procedure for the reporting of child protection and welfare concerns to Tusla (Ireland) and Gateway (Northern Ireland) through the National Safeguarding Officer and Mandated Person within IRFU: Anne Marie Hughes (086 0485977 / annemarie.hughes@irfu.ie), National Safeguarding Officer holds position of Relevant Person as per Children First Act
 - Procedure for the management of allegation of abuse or misconduct against workers/volunteers of a child availing of our service and can be found in the case management policy
 - Procedure for appointing a relevant person (Club Welfare Officer) for the purposes of the implementation of this Child Safeguarding Statement
 - Procedures to minimise risk of harm of a child have been put in place and are available in the IRFU Safeguarding Policy

All procedures listed are available on the IRFU website, <http://www.irishrugby.ie/safeguarding>. The IRFU and Wicklow RFC expects those involved within club age-grade rugby to adopt and supervise the implementation of these safeguarding principles and standards. The club recognises that implementation is an ongoing process. It is committed to the implementation of this Child Safeguarding Statement and accompanying safeguarding policy to keep children involved in rugby safe from harm. This Child Safeguarding Statement will be reviewed in April 2021, or as soon as practicable after there has been a material change in any matter to which the statement refers.

PART B - PRINCIPLES TO SAFEGUARD CHILDREN FROM HARM

IRFU is committed to safeguarding children and, by working under the guidance of our Safeguarding Policies our staff, both volunteers and employed, working with our young people, throughout the organisation, seek to create a safe environment for young people to grow and develop within sport. The following set of principles should be adhered to:

- **Importance of childhood** - The importance of childhood should be understood and valued by everyone involved in age-grade rugby.
- **Needs of the child** - All age-grade rugby experiences should be guided by what is best for children. This means that adults should have a basic understanding of the emotional, physical and personal needs of young people.
- **Integrity in relationships** - Adults interacting with young people in rugby are in a position of trust and influence. They should always ensure that young people are treated with integrity and respect, and the self-esteem of young people is enhanced.
- **Fair Play** - All age-grade rugby should be conducted in an atmosphere of fair play. The principles of fair play should always be emphasised, and organisers should give clear guidelines regarding acceptable standards of behaviour.
- **Quality atmosphere & ethos** – Age-grade rugby should be conducted in a safe, positive and encouraging atmosphere.
- **Competition** - Competition is an essential element of sport and should be encouraged in an age appropriate manner. A child centred ethos will help to ensure that competition and specialisation are kept in their appropriate place.
- **Equality** - All young people should be valued and treated in an equitable and fair manner regardless of ability, age, gender, religion, social and ethnic background or political persuasion, as per the IRFU Charter
